Dear Mr. Herlihy,

On behalf of the Southwest Christian Ministerial Fellowship President Pastor Stan Kirtlan, I thank you and the whole Herlihy family for your generous donation of the ***"Mayflower" portable storage unit with transportation*** that aided our annual White Christmas program. The support of the community was overwhelming and has made a difference this Christmas season to many area families in need. If you would like to view how your company helped us this year, our program is on facebook at [facebook.com/WhiteChristmasFoodDrive](https://www.facebook.com/WhiteChristmasFoodDrive). Please compliment your representative, George, for his professionalism as he did a fantastic job of setting the unit exactly where we needed it.

Through your help, this program was able to distribute 121 boxes full of perishable and non-perishable food items without over burdening the Our Lady of Perpetual Help school cafeteria. The sorted food collected and not needed for this program was donated and will help keep the shelves of the Grove City Food Pantry filled for several months.

This project is truly a community effort that involves local students, area businesses, organizations and churches. We know you helped to make the Christmas season a little brighter for needy families in the community.

We appreciate your thoughtfulness and continued support of this program. Our Lady of Perpetual Help Catholic Church is a 501c3 charity and no goods or services were provided in consideration of this donation.

Sincerely,

Patrick Fahy
